

In Egypt there were Six Steps

BETWEEN BONDAGE

1. They had to be circumcised
2. They had to choose the lamb
3. They had to kill the lamb
4. They had to sprinkle the blood
5. They had to eat the lamb
6. The first-born of Egypt had to die

AND FREEDOM

If they had carried out the first five steps without the first-born dying, they would have remained in bondage as if they had done nothing at all.

TWO DEATHS ARE NECESSARY

Each must be as real as the other

THE LAMB

The Innocent
The Saviour
The Pure
The Righteous

THE FIRST-BORN

The Guilty
The Destroyer
The Impure
The Unrighteous
